

MY MOMMY IS THE BESTEST EVER

1. The Prettiest Girl in the World

My mommy is the most beautiful and prettiest girl in the whole wide universe. She has the bestest smile and her hair is so soft. When she hugs me, it feels like a warm blanket. She is like a princess from a movie but she is real and she is **MY** mommy! I want to give her a hundred billion sparkly crowns to wear every single day.

2. My Super Wonder Woman

My mommy is a real Super Wonder Woman. She is my hero because she helps me with every single task. Sometimes, when I feel frustrated and I feel very cross, my mommy knows exactly what to do. She tells me what is right and what is wrong so the "cross" feelings go away.

She is making me into a very strong boy. She even helps me do my cartwheels! When I want to flip over, she is there to make sure I do it right. She is the best teacher in the world.

3. The Bestest Yummy Food

She is the best cook in the galaxy. She made me the most delicious, yummy KFC chicken and it was so good in my tummy! It is my favorite meal ever. She always knows when I am hungry and she makes sure I have the extra crunchy bits. She is the boss of the kitchen and the boss of the house.

4. I Am Doing Everything For Her

Because my mommy is the Queen, I want to do everything for her. I told her, "Mommy, you just sit on the couch and be a princess!"

- I am going to carry all the heavy grocery bags so her arms don't get tired.
- I am going to pick up all my Legos so she doesn't step on them.
- I am going to do all the tasks she teaches me so she can be proud of her strong boy.

5. My Big Promise

I love my mommy more than dinosaurs and more than space rockets. She is my best friend. I am going to stay with her little boy forever and ever and ever. When I grow up to be a giant man, I am still going to hold her hand and buy her a pink castle with a giant slide!

I LOVE YOU MOMMY! YOU ARE THE WINNER OF THE WHOLE WORLD!
